SailorApp -- Comment bien l'utiliser

Demande d'instruction "online" (SailorApp)

Aucune différence entre une procédure "papier à l'ancienne" et une procédure électronique.

"Procédure papier"

- Un bateau remplit un formulaire et le donne au bureau de course
- Le bureau de course relève la date et heure du dépôt de la demande

"Procédure électronique"

- Un bateau remplit un formulaire électronique et l'enregistre.
- Le système appose un "Time stamp" au moment de l'enregistrement

SailorApp -- Workflow en 3 clics
